

Walkthrough

Swollen Swamps

In the swamps, the player will not be killed as long as she/he travels to areas that have red thorns or black goo.

The order to go through the gates after arriving at number 117 is up, left, right and up.

Belfram Chain

To clear the icy maze, you can combine the crushing stone found in 154 with the Infieri herb found in 153 to un-freeze the gate at 160.

Larton

Purchase a piece of clothing from the boutique and use it at number 167 to enter the king's court and receive the queen's name. When in Meteli forest, use the name to make Gwyn give you a pear from the magical tree.

Bastion of Woe

The player has to get 3 gems and use them on the elevator to proceed to the boss. The first gem is located at number 211 where the player has to flip the switches on the correct statues. The correct statues are the first, third and fourth. The second gem is located at number 205. The correct combination for the strings is 7,3,5,1. The last gem is located at 216. The correct order for the levers is 1,3,1.

Venzor

The key to open the throne room is at number 288.
